ABOUT US	Page 3
OUR PRODUCTS	Page 4
CONTACT	Page 26

Dear Valued Customers,

We are thrilled to announce the grand opening of Crystal Clean Supplies, a new addition to the Point Cook community.

Our mission is to bring you exceptional products and services that cater to your needs and enrich your everyday life.

### **Who We Are**

At Crystal Clean Supplies, we believe in the power of quality, community, and customer satisfaction. Our team provides you with a personalized shopping experience, whether you're visiting our store or browsing online.

### **What We Offer**

We specialize in commercial grade cleaning products and machinery & equipment including chemicals, paper products and a wide range of cleaning accessories such as buckets, mops, cloths, window cleaning products and many more products to choose from. Our association with the leaders in the cleaning industry ensures that our products are of high quality & at best prices for our customers.

### **Why Choose Us?**

- **\*\*Quality Products\*\***: We source and create only the best, ensuring that each product you purchase is of the highest quality.
- **\*\*Customer-Centric Approach\*\***: Your satisfaction is our priority. We offer personalized service to help you find exactly what you need.
- **\*\*Community Focused\*\***: We are committed to supporting our local community through various initiatives and partnerships with other local businesses.

We can't wait to connect with you!

Thank you for welcoming us into the community. We look forward to serving you and becoming your go-to destination for your cleaning needs.

# FOOD SERVICES

# GENERAL CHEMICALS

## Description

### Agar Toilet Bowl Cleaner Bowl Clean 5L Each

An antibacterial cleaner for toilets, urinals, tiled washroom floors, walls, paths, basins and shower recesses.

### Agar Hospital Grade Disinfectant Chloradet 5L Each

Chloradet is a concentrated, high-foaming cleaner with a bleaching action. Highly active cleaner, rips dirt off hard surfaces including walls, tiles, baths and showers.

Removes dirt and soil.

Kills bacteria.

Removes mould.

Dilutes up to 1 in 160.

# GENERAL CHEMICALS

## Agar All-in-one Washroom Cleaner Fresco 5L Each

FRESCO is an all-purpose washroom cleaner. Used neat, it is a forceful cleaner of toilets, urinals and showers. Diluted, it is ideal for washroom floors, walls, basins and fixtures. FRESCO's lime oils deodorise the washroom and leave a fresh lingering fragrance.

### Key Benefits

- Rips through soap scum, limescale & biowaste
- Thick formula clings to the walls for longer
- Contains biodegradable surfactants
- No added phosphates
- GECA certified

# GENERAL CHEMICALS

## Description

### Viraclean Hospital Grade Disinfectant Spray 500ml Each

True Hospital Grade disinfectant, Kills HIV & Hepatitis B virus  
Suitable for use on healthcare surfaces. Does not contain phenolics, chlorine or glutaraldehyde. Will not cause staining on fabrics or carpets. Non-flammable, Neutral pH, Fully biodegradable. Can be diluted 1 in 10 to use as a neutral detergent solution for damp dusting and streak-free cleaning of all surfaces, or used neat for use as a hospital-grade disinfectant.

### Viraclean Hospital Grade Disinfectant 5L Each

True Hospital Grade disinfectant, Kills HIV & Hepatitis B virus.

Suitable for use on healthcare surfaces.  
Does not contain phenolics, chlorine or glutaraldehyde.  
Will not cause staining on fabrics or carpets.  
Non-flammable, Neutral pH, Fully biodegradable.  
Can be diluted 1 in 10 to use as a neutral detergent solution for damp dusting and streak-free cleaning of all surfaces, or used neat for use as a hospital-grade disinfectant.

# GENERAL CHEMICALS

## Agar Disinfectant Tango 5L Each

A hospital-grade disinfectant combining potent germicidal action with effective cleaning power and perfumed deodourisation. Achieve unmatched hygiene with its 1:10 hospital-grade strength or opt for commercial-grade effectiveness at 1:50. Tango doesn't just mask odours; it destroys them at the source, leaving behind a refreshing and long-lasting fragrance and ideal for all hard surfaces.

## Glen 20 Disinfectant Spray Original Scent 300g Each

Surface spray disinfectant to disinfect soft and hard surface and kills 99.9% of germs and viruses with a pleasant country scent.

## Agar Disinfectant Lemon 5L Each

A fresh-scented, commercial-grade germicide with a powerful cleaning action that leaves surfaces disinfected, and clean with a long-lasting citrus fragrance.

Destroys grease and grime.  
Chemically destroys odours.

# GENERAL CHEMICALS FLOOR CLEANERS

## Description

### Agar Detergent Concentrate Novadet 5L Each

Concentrated Detergent for swift elimination of dirt and spills on polished floors and hard surfaces. Its aggressive formula ensures rapid, thorough cleaning, leaving your surfaces gleaming. The low-alkaline and biodegradable composition make it environmentally responsible.

### Agar Detergent Concentrate Shifter 5L Each

SHIFTER is a powerful cleaning agent for use in removing stubborn soils from hard surfaces. It also prevents the soils from re-depositing.

SHIFTER is a concentrated alkaline hard surface cleaner designed specifically to remove soil from ceramic tiles, concrete floors, walls and paintwork. It is a sophisticated blend of ingredients intended primarily for use in auto scrubbers, and also for mopping by hand.

### Agar Cleaner Freshmop Lemon 5L Each

A hard floor lemon-scented mildly alkaline cleaner designed for high-gloss floors such as terrazzo, marble and slate. It will not streak on glossy stone floors or polyurethane-sealed timber floors and will remove fats, oils, dirt, spillages, vehicular road dirt, floor traffic, and spills of all kinds from all hard surfaces, polished floors, tiles, fittings, windows, ducting, walls and paintwork.

### VERSADET CONCENTRATED NEUTRAL FLOOR CLEANER 5L Each

Versadet is the ideal product for the everyday use and maintenance of polished floors. As a chemically neutral cleaner, it will not have a detrimental effect on cross-linked floor finishes.

# HAND PROTECTION / CHEMICAL RESISTANT GLOVES

## Black Rubber Gloves 35cm Gloves

CHEMICAL RESISTANT GLOVES

- Certified to EN 388:2016 (1121X) and EN 374-2
- Good resistance against many chemicals
- Rough textured palms and winged thumb for optimal grip
- Flexible, durable, and breathable properties make it ideal for a whole host of applications
- Excellent fit and lightweight latex ensure comfortability even for long periods
- 35cm cuff lengths for extra coverage

[ADD TO CART](#)

## Neoprene Flocklined 28cm Gloves

CHEMICAL RESISTANT GLOVES

- Certified to EN 388:2016 (1121X), EN 374-1 and EN 374-2
- Excellent resistance to a wide range of chemicals, caustics, acids, solvents and oils
- Heavy duty, high resilience and cut resistant neoprene rubber ensures extra protection
- Finger dexterity and good pliability offers maximum usability and comfort
- 28cm cuff lengths for extra coverage

[ADD TO CART](#)

---

# HAND PROTECTION / CHEMICAL RESISTANT GLOVES

## Solver Solvent Resistant 33cm Gloves

CHEMICAL RESISTANT GLOVES

- Certified to EN 388:2016 (4102X), EN 374-1 and EN 374-2
- Optimal level of protection against chemicals, caustics, acids, solvents and oils
- Level 4 abrasion resistance
- Fully coated with special NBR coating (nitrile rubber)
- Exceptional wearer comfort due to heavy duty, flexible and non-slip properties
- 33cm cuff lengths for extra coverage

# HAND PROTECTION / CUT RESISTANT GLOVES

## Razor 5 Blaze Gloves STEALTH

CUT RESISTANT GLOVES

- Certified to EN 388:2016 (4X43D)
- Cut level 5 resistance
- Hi-Viz Fluro yellow with seamless 13-gauge HPPE shell for extra safety
- Black nitrile foam palm for added protection
- Palm and fingertips with NBR coating (nitrile rubber) and Grip finish
- Seamless breathable design and ergonomic fit to ensure optimal comfortability
- Lint and silicone free industrial hand protection

[ADD TO CART](#)

## Razor 5 Food Master Gloves STEALTH

CUT RESISTANT GLOVES

- Certified to EN 388:2016 (4X42C)
- Excellent cut resistant level 5
- Seamless 13-gauge HPPE Shell dissipates heat to cool the hand
- Flexible, breathable, and soft construction ensures all day comfort
- Provides high level of cut protection as a liner without adding bulk to the glove
- Ambidextrous

[ADD TO CART](#)

---

# HAND PROTECTION / CUT RESISTANT GLOVES

## Razor 5 Grip Gloves STEALTH

CUT RESISTANT GLOVES

- Certified to EN388 (4X42C)
- Excellent cut resistant level 5
- Nitrile coated fingertips for added protection
- Outstanding grip delivered through Nitrile dots
- Flexible, breathable, and soft construction with ergonomic fit ensures optimal comfortability
- Lint free industrial hand protection

[ADD TO CART](#)

## Razor 5 Impact Gloves STEALTH

CUT RESISTANT GLOVES

- Certified to EN 388:2016 (4X43D)
- High level of cut protection and very good tear resistance
- Palm and fingertips with NBR coating (nitrile rubber) and Grip finish
- Good protection against shocks and impacts
- Hi-Viz Impact absorbing silicone protectors on the back of the hand and reinforcements on finger joints add further protection
- Velcro sealable cuff to ensure a good fit and optimal comfortability

# HAND PROTECTION / FREEZER/COLD GLOVES

## Foam Freezer Glove PVC GLOVES

FREEZER/COLD GLOVES

- Certified to EN388:2016 (4121X), EN 511 (121) and EN 374-1
- Level 4 abrasion resistance
- PVC Foam composition ensures a pleasant hand climate and excellent wearer comfort
- Heavy duty gloves with knitted cuff and boa lining for enhanced cold resistance
- Designed for cold working conditions up to temperatures of -30°
- Very good thermal insulation
- Winged thumb with additional supported lining provides superior grip and dexterity

[ADD TO CART](#)

---

## Rigger Furlined Freezer Gloves ICEMAN

FREEZER/COLD GLOVES

- Certified to EN388:2016 (2123X), EN511 (121)
- Premium quality gloves with added Synthetic fur lining for optimal cold resistance
- Designed with lock stitched seams and back stitched at ends for enhanced durability
- Shirred elastic back provides excellent comfortability and flexibility
- Very good thermal insulation

[ADD TO CART](#)

# HAND PROTECTION / WELDING GLOVES

## Cow Grain Extended Cuff Riggers Gloves FIREBIRD

WELDING GLOVES

- Certified to EN388 (3123X)
- Level 3 abrasion resistance
- Premium grade full grain cowhide
- Extended leather cuff for extra protection
- Industrial level hand protection, excellent general welding glove
- Kevlar stitch ensures maximum durability
- Soft and pliable for optimal comfort

[ADD TO CART](#)

---

## Lefty Split Welding Gloves GOBI

WELDING GLOVES

- Certified to EN407 (3133) and EN388 (4244X)
- Two left hand gloves
- Level 4 abrasion resistance
- Premium cowhide
- Welding gloves with ergonomic fit, designed with long length safety cuff for ultimate protection
- Kevlar stitching and welted seams ensures maximum durability and protection against heat, flame, or spark
- Soft and pliable for optimal comfort

[ADD TO CART](#)

---

# HAND PROTECTION / WELDING GLOVES

## Red Devil Split Welding Gloves WELDING GLOVES

WELDING GLOVES

- Certified to EN407 (3133) and EN388 (4244X)
- Level 4 abrasion resistance
- Premium cowhide
- Welding gloves with ergonomic fit, designed with long length safety cuff for ultimate protection
- Kevlar sewn and welted seams ensures maximum durability and protection against heat, flame, or spark
- Soft and pliable for optimal comfort

[ADD TO CART](#)

## Disposable Crimped Cap 24 Inch ULTRA HEALTH

HAIRNETS

- HACCP Certified
- TGA Listed
- Lightweight and breathable spun-bonded polypropylene provides optimal wearer comfort
- Contains double elastic band to ensure secure fit and minimise contamination of hair
- Superior quality disposable medical cap
- Available in variety of colours
- Non-sterile

[ADD TO CART](#)

---

# PROTECTIVE APPAREL / SHOE/BOOT COVERS

## Disposable Anti-Skid Overshoes ULTRA HEALTH

SHOE/BOOT COVERS

- TGA Listed
- HACCP Certified
- Breathable and good strength disposable shoe cover
- Designed to cover feet and footwear for indoor use and sterile work areas
- Made from polypropylene and elastic with non-slip sole

[ADD TO CART](#)

---

## Disposable Anti-Skid PVC Dots Overshoes ULTRA HEALTH

SHOE/BOOT COVERS

- Breathable and good strength disposable shoe cover
- Designed to cover feet and footwear for indoor use and sterile work areas
- Made from polypropylene, nylon, and elastic with PVC dotted sole for non-slip protection

[ADD TO CART](#)

---

# PROTECTIVE APPAREL / SHOE/BOOT COVERS

## Disposable Boot Covers with PVC Dots ULTRA HEALTH

SHOE/BOOT COVERS

- HACCP Certified
- Breathable and durable disposable boot cover
- Designed to cover feet and footwear for indoor use and sterile work areas
- PVC dotted sole ensures anti-skid and safety in various environments
- Long length coverage and waterproof design for optimal protection

[ADD TO CART](#)

## Disposable Overshoes PP/PE ULTRA HEALTH

SHOE/BOOT COVERS

- TGA Listed
- HACCP Certified
- Breathable and light duty disposable shoe cover
- Designed to cover feet and footwear for indoor use and sterile work areas
- Made from polyethylene and elastic

[ADD TO CART](#)

---

# PROTECTIVE APPAREL / SHOE/BOOT COVERS

## Disposable PE Overshoes ULTRA HEALTH

SHOE/BOOT COVERS

- UTGA Listed
- Breathable, non-skid disposable shoe cover
- Designed to cover feet and footwear for indoor use and sterile work areas
- Made from polyethylene and elastic
- Lightweight, waterproof and easy to slip on

[ADD TO CART](#)

---

## Disposable PE Waterproof Extra Heavy Duty Overshoes ULTRA HEALTH

SHOE/BOOT COVERS

- Highly heavy-duty and waterproof cover ensures optimal protection
- Designed to cover feet and footwear for indoor use and sterile work areas
- Disposable for ultimate safety and hygiene
- 5.5gm

# HAND PROTECTION / MECHANIC GLOVES

## Armortex Nitrile Palm Gloves RIGMAN

MECHANICS GLOVES

- Certified to EN388 (3232X)
- Protector ribs on fingers and thumb, synthetic leather coated nitrile palm and Kevlar armor reinforcement ensures optimal protection
- Comfortable, high-performance glove
- Good protection against shocks and impacts
- Neoprene cuff with Velcro closure for secure fit

[ADD TO CART](#)

## Armortex Nitrile Palm Thinsulate Lining Gloves RIGMAN

MECHANICS GLOVES

- Flexible safety gloves with specially designed protection zones for optimal functionality
- Protector ribs on fingers and thumb, synthetic leather coated nitrile palm and Kevlar armor reinforcement ensures optimal protection
- Neoprene cuff and thinsulate inner lining ensures secure and comfortable fit
- Good protection against shocks and impacts

[ADD TO CART](#)

---

# HAND PROTECTION / MECHANIC GLOVES

## Dual Layer with Silicone Dots Gloves RIGMAN

MECHANICS GLOVES

- Certified to EN388 (3232X)
- Flexible safety gloves with specially designed protection zones for optimal functionality
- Constructed with double layered synthetic leather palm and reinforced ribs for maximum protection
- Silicone dots provide excellent grip
- Orange spandex back and neoprene cuff ensure optimal breathability and comfort

[ADD TO CART](#)

## Raider Mechanics Gloves STEALTH

MECHANICS GLOVES

- Certified to EN388 (2142X)
- Constructed using A Grade reinforced leather palm for maximum durability
- Designed with TPR knuckles and fingers for comprehensive protection against shock and impact
- Hi Vis spandex back provide comfortability and safety for low light environments
- Neoprene cuff with Velcro closure ensures secure fit

[ADD TO CART](#)

---

# HAND PROTECTION / MECHANIC GLOVES

## Synthetic Leather Kevlar Armortex Reinforce Gloves RIGMAN

MECHANICS GLOVES

- Synthetic leather coated nitrile palm with Kevlar armortex reinforcement ensures optimal protection
- Water and oil repellent stretch fabric on back
- Rubber material fingertips for excellent grip
- Kevlar stitching with extended cuff provides enhanced protection and durability
- Ultimate dexterity and tactility gloves

[ADD TO CART](#)

## Taipan Mechanics Fingerless Gloves STEALTH

MECHANICS GLOVES

- Certified to EN388 (2142X)
- Fingerless feature enables high dexterity and tactility, whilst providing palm protection
- Highly protective and ultimate tear resistant Mechanics glove
- Synthetic leather, reinforced knuckle bar and palm for additional protection against impact
- Flexible and breathable back with ergonomic fit ensures optimal comfortability
- Adjustable with tape strap for a snug fit

[ADD TO CART](#)

## Taipan Mechanics Gloves STEALTH

# HAND PROTECTION / NITRILE DIPPED GLOVES

## Heavy Weight Full Dip Nitrile Gloves With Safety Cuff HERCULES

NITRILE DIPPED GLOVES

- Certified to EN388 (4221X)
- Level 4 abrasion resistant
- Highly durable and puncture resistant
- Heavy weight nitrile full coat industrial glove
- Nitrile coating provides outstanding grip in dry areas and good resistance to oil, grease, chemicals, and solvents
- Constructed with safety cuff for enhanced protection

[ADD TO CART](#)

## Heavy Weight Half Dip Nitrile Gloves With Safety Cuff HERCULES

NITRILE DIPPED GLOVES

- Certified to EN388 (4221X)
- Level 4 abrasion resistant
- Highly durable and puncture resistant
- Heavy weight nitrile half coat industrial glove
- Nitrile coating provides outstanding grip in dry areas and good resistance to oil, grease, chemicals, and solvents
- Constructed with extended safety cuff for enhanced protection

[ADD TO CART](#)

---

# HAND PROTECTION / NITRILE DIPPED GLOVES

## Light Weight $\frac{3}{4}$ Nitrile Dip Gloves With Knit Wrist HERCULES

NITRILE DIPPED GLOVES

- Certified to EN388 (4111X)
- Level 4 abrasion resistant
- $\frac{3}{4}$  nitrile coat with interlock cotton lining
- Nitrile coating on the palm and fingertips provide good puncture resistance
- Knitted cuff ensures secure fit with optimal comfortability
- Outstanding grip in dry areas and good resistance to oil, grease, and solvents
- 'Slim-fit' design provides great tactile sensation and high dexterity

[ADD TO CART](#)

---

## Medium Weight Full Dip Nitrile Gloves With Knit Wrist HERCULES

NITRILE DIPPED GLOVES

- Certified to EN388 (4121X)
- Level 4 abrasion resistant
- Full nitrile coating provides outstanding grip in dry areas and good resistance to oil, grease, and solvents
- Puncture resistant and highly durable
- Knitted cuff ensures secure fit with optimal comfortability
- Perfect fit thanks to the 'slim-fit' design

[ADD TO CART](#)

---

# HAND PROTECTION / PVC DIPPED GLOVES

## PVC "Grizzly" Gloves PVC GLOVES

PVC DIPPED GLOVES

- Highly durable and heavy-duty gloves
- PVC bricks on palm for secure grip on slippery surfaces
- PVC material provides resistance to mild chemical, solvents, oils, and acids
- Extended cuff length provides extra protection
- Suited for de budding with excellent wearer comfort

[ADD TO CART](#)

## PVC ¾ Dip Knitted Cuff Glove PVC GLOVES

PVC DIPPED GLOVES

- PVC dip provides resistance to mild chemical, solvents, oils, and acids
- Great for refining, petrochemicals, and handling materials coated in grease
- Constructed with cotton interlock lining to provide good abrasion resistance
- Liquid proof industrial hand protection glove
- Knitted cuff ensures secure fit with optimal comfortability
- Perfect slim fit design for optimal utility

[ADD TO CART](#)

---

# HAND PROTECTION / PVC DIPPED GLOVES

## PVC Double Dip Interlock Lining 27cm Gloves PVC GLOVES

PVC DIPPED GLOVES

- Certified to EN388 (4121X) and EN374 – 2
- Fully coated double dip PVC provides good resistance to mild chemical, solvents, oils, and acids
- Level 4 abrasion resistant
- Constructed with cotton interlock lining ensures optimal abrasion resistance
- Liquid proof industrial hand protection glove
- Great for refining, petrochemicals, and handling materials coated in grease
- Very good fit and comfortable to wear for a long period
- Length available: 27cm, 35cm, 45 cm

[ADD TO CART](#)
